4. Corporate/Institutional Members are entitled to appoint authorised representatives to attend the AGM through VC/OAVM on their behalf and cast their votes through remote e-voting or at the AGM. Corporate/Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to csymsharma@gmail.com with a copy marked to investor@donar.com / evoting@nsdl.co.in at least 48 hours before the commencement of AGM.
5. The Members can join the AGM through VC/OAVM mode 30 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in Note No. 27 below. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. Members of the Company under the category of Corporate/Institutional Shareholders are encouraged to attend and participate in the AGM through VC/OAVM and vote thereat.
7. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Clarification/ Guidance on applicability of Secretarial Standards - 1 and 2 dated April 15, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM. Since the AGM will be held through VC/OAVM, the Route Map is not annexed to this Notice.

8. The Statement pursuant to Section 102 of the Act and Secretarial Standard – 2 on General Meetings relating to the Special Business to be transacted at the AGM is annexed hereto. The Board of Directors have considered and decided to include the Item Nos. 5 to 8 given above as Special Business in the forthcoming AGM, as they are unavoidable in nature.
9. A brief profile of Directors who retires by rotation/appointed/re-appointed including nature of their expertise along with related details as required under the provisions of Act, Regulation 36 of Listing Regulations and Secretarial Standard on General Meetings ("SS-2") is provided in Annexure - I to this Notice.
10. Members seeking any information with regard to the accounts or any matter to be placed at the AGM are requested to email at investor@donear.com to the Company on or before September 22, 2020. The same will be replied by the Company suitably.
11. The Registers as required under the Act and the documents referred to in the Notice shall be available for inspection. However a request for the same can be made at investor@donear.com. stating Folio no. / DP ID - Client ID. up to the date of AGM i.e., Friday, September 25, 2020.

The Company provides the facility to the Members for remittance of Dividend directly in electronic mode through Electronic Clearing Service or any other means. In view of the outbreak of the COVID-19 pandemic and resultant difficulties involved in dispatching of physical Dividend warrants, Members holding shares in physical form and desirous of availing this facility of electronic remittance are requested to provide their latest bank account details (Bank Account Number, 9 digit MICR and 11 digit IFSC Code), along with their Folio Number on the link of the Company's Registrar at https://linkintime.co.in/EmailReg/Email_Register.html or by emailing at rnt.helpdesk@linkintime.co.in / investor@donear.com.

Shareholder holding shares in dematerialized form are requested to provide the said details to their respective Depository Participants. The Company or its RTA cannot act on any request received directly from the Members holding shares in dematerialized form for any change of bank particulars. Such changes are to be advised only to the Depository Participant of the Members.

17. The Members who are unable to receive the dividend directly in their bank accounts through Electronic Clearing Service or any other means, due to non-registration of the bank account detail, the Company shall dispatch the dividend warrant/ bankers' cheque/demand draft to such Members, upon normalisation of postal services and other activities.
18. **IEPF:** Under the Act, dividends that are unclaimed / unpaid for a period of seven years are required to be transferred to the Investor Education and Protection Fund ("IEPF") administered by the Central Government. An amount of Rs. 20,996 being unclaimed/unpaid dividend of the Company for the financial year ended March 31, 2012 was transferred to IEPF.

The Company paid to IEPF on October 10, 2019, an amount of Rs. 1,929.20 towards dividend for the financial year ended March 31, 2019 on such Shares which were transferred to IEPF.

Members who have not encashed the dividend warrants/demand drafts so far in respect of the unclaimed and unpaid dividends declared by the Company for the Financial Year 2012-13 and thereafter, are requested to make their claim to RTA well in advance of the last dates for claiming such unclaimed and unpaid dividends as specified hereunder:

Dividend for the year	Date of Declaration	Due date for transfer to the IEPF
2012-2013	September 28, 2013	October 28, 2020
2013-2014	September 24, 2014	October 30, 2021
2014-2015	September 26, 2015	November 01, 2022
2015-2016	September 24, 2016	October 30, 2023
2016-2017	September 23, 2017	October 29, 2024
2017-2018	September 29, 2018	November 04, 2025
2018-2019	September 23, 2019	October 29, 2026

Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on March 31, 2019 on the website of the Company at <https://www.donear.com>.

Members are requested to note that, pursuant to the provisions of Section 124 of the Act read with IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the MCA. In accordance with the aforesaid IEPF Rules, the Company has sent individual communication to all Members whose shares are due for transfer to the IEPF Authority and whose email IDs are available, informing them to claim their unclaimed/unpaid dividend before due date to avoid such transfer of shares to IEPF Authority and has also published notice in this regards in Newspapers.

Members whose unclaimed dividends/shares are transferred to the IEPF Authority can claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 by following the refund procedure as detailed on the website of IEPF Authority <http://www.iepf.gov.in/IEPF/refund.html>.

19. **Nomination:** Members can avail of the facility of nomination in respect of shares held by them pursuant to the provisions of Section 72 of the Act. Members holding shares in physical form desiring to avail this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to RTA at rnt.helpdesk@linkintime.co.in. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
20. **Transfer of shares permitted in Demat Form only:** As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 01, 2019, except in case of transmission or transposition of securities. In view of the above and to eliminate risk associated with physical shares and to avail various benefits of dematerialization, Members are advised to dematerialize their shares held in physical form.
Members are accordingly requested to get in touch with Company's RTA or any Depository Participant having registration with SEBI to open a Demat account. Members may also visit web site of depositories viz. National Securities Depository Limited viz. <https://nsdl.co.in/faqs/faq.php> or Central Depository Services (India) Limited viz. <https://www.cdslindia.com/investors/open-demat.html> for further understanding of the demat procedure.
21. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore requested to submit their PAN to the Depository Participants with whom they maintain their demat account(s). Members holding shares in physical form should submit their PAN to the Company's Registrar.
22. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, registering of nomination, power of attorney registration, Bank Mandate details, etc. to their DPs in case the shares are held in electronic form and to the Registrar in case the shares are held in physical form, quoting their folio number by emailing at rnt.helpdesk@linkintime.co.in / investor@donear.com.
23. **Electronic Dispatch of Notice and Annual Report:** In compliance with the MCA and SEBI Circulars, Notice of the 34th AGM along with the Annual Report for Financial Year 2019-20 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company / Depositories. A copy of this Notice along with the Annual Report for Financial Year 2019-20 is uploaded on the Company's website www.donear.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of NSDL at www.evoting.nsdl.com
24. **Non-Resident Members:**
Non-Resident Indian Members are requested to inform Registrar and Transfer Agents/ their respective Depository Participants immediately of:
 - a. Change in their residential status on return to India for permanent settlement.
 - b. Particulars of their Bank Account maintained in India with complete name, branch, account type, account number, IFSC Code, MICR No., and address of the bank, if not furnished earlier, to enable the Company to remit dividend to the Bank Account directly.
25. Members who have not registered their E-mail IDs so far are requested to register the same with DP/RTA for receiving all the communications including Annual Reports, Notices etc. electronically. The Company through its RTA has enabled a following process for same:
 - a. **Registration of email ID for shareholders holding physical shares:**
Members of the Company holding Equity Shares of the Company in physical form and who have not registered their email addresses may get their email addresses registered with RTA by clicking the link: https://linkintime.co.in/emailreg/email_register.html or on their website www.linkintime.co. at the Investor Services tab by choosing the email/ bank registration heading and follow the registration process as guided therein. There are no material changes or commitments affecting the financial position of the Company which have occurred between the end of the financial year and the date of this Report other than the impact of COVID-19 on the business operations of the Company detailed in this Report.

Impact of COVID-19

In the last month of FY 2019-20, the COVID-19 pandemic evolved rapidly into a global crisis, forcing governments to enforce lock-downs on all activity. Due to country-wide lockdown, the Company's operations were hit, significantly since 1st day of lockdown till the 2nd week of May 2020, when lockdown was gradually lifted.

The extent of COVID-19 and consequent lockdown directly impacted the length of the recovery cycle. However, the Company have been taking all necessary measures in terms of mitigating the impact of the challenges being faced in the business. The Company is working towards being resilient in order to sail through the current situation. The Company began to take several initiative to bring down costs and improve liquidity position and conserve cash. These initiatives are well under way and the Company is expected to get benefits in near future and will ensure that the manufacturing facilities operate smoothly.

The Company in the midst of the COVID-19 has launched a modern type of fabric known as NEO-TECH Fabrics which kills virus that accumulates on the cloth within 30 minutes. This has created a sensation in the textile market and most of the garment manufacturers are approaching the Company for procurement of Fabrics for their garment.

Management Discussion and Analysis

1. Industry structure and developments:

The textile and apparel industry is one of the earliest industries to have developed in India. Its inherent and unique strength is its incomparable employment potential owing to the presence of the entire value chain from fiber to apparel manufacturing within the country. It is the biggest employer after agriculture and provides employment to over 45 million people directly and 60 million people indirectly.

India is the second-largest manufacturer of textiles and clothing in the world. India is also the second-largest exporter of textiles and apparel with a share of 5% of global trade. Exports of textile and clothing products, including handicrafts, from India have slightly increased to US\$ 40.4 billion during the year 2018-19, registering a growth of 3%. However, India's global share is way behind that of China, which has approximately 38% of the global textile and clothing trade. The share of textile and clothing in India's total exports stood at 12% in FY-19. With 48% total textile and apparel export, EU-28 and the United States are India's major textile and apparel export destinations.

The major development that textile industry would witness is the demand of hygienic product where more focus should be given to produce and supply anti-bacterial and anti-viral fabrics.

2. Opportunities:

The central government has embraced 'Atmanirbhar' or 'self-reliance' as a development strategy to reboot the Indian economy. While pursuing such a policy will, no doubt, boost the country's manufacturing and exports, the government should not lose sight of sectors which are already self-reliant and can, with a little help, play a larger role in the global market. If there is one sector in the country that is self-reliant end-to-end, it is textile sector. Your Company being in this sector welcome the opportunity to grow by capacity building, restraining imports as much as possible, utilizing technical manpower availability, wide fiber base and utilizing government policies for modernization and also for raw material cost controls.

Moreover, 100% Foreign Direct Investment is allowed in the textile sector under the automatic route which can also support to take the measures for increasing production, spending in cost effective technologies, etc.

3. Challenges:

Though India has the best textile industry, it also face numerous challenges like changing tax structure at the state and central government levels making garments expensive, rising interest rates, labor wages and workers' salaries, etc.

The Indian textile industry has its own limitations such as access to the latest technology and failures to meet global standards in the highly competitive export market. There is fierce competition from countries in the low-price garment market. In the global market tariff and non-tariff barriers coupled with the quota are posing a major challenge to the Indian textile Industry. The environmental and social issues like child labour and personal safety norms are also some of the challenges for the textile industry in India.

4. Future Outlook of Textile Industry:

The coronavirus disease (CoVID-19) is affecting every sphere of life including manufacturing activities, businesses, etc., across the globe and India is also not spared from the panic situation. The textile industry predominantly employs migrant workers from different States which has returned to their native places which result in mass stoppage in production. Further, with the expected steep reduction in demand due to sudden stoppage of exports/imports and also domestic sales, the industry is likely to face unprecedented hardships and losses. However post coronavirus, the future of the textile industry in India has a positive outlook and is mirrored by increasingly strong consumption rates in the domestic market as well as the growing demand for exports. Moreover, the industry has earned a unique place in the economy due to its strong future outlook, numerous employment opportunities it has generated and the strong export numbers it has generated.

5. Human Resources / Industrial Relations front:

Your Company's HR showed a strategic and coherent approach in managing the talent and put an endeavor in employing people and developing their capacities, utilizing and maintaining their services. Our Company continuously carries out the necessary improvements to attract and retain the best talent which results in low attrition rates.

The Company's policy of providing on the job training has been instrumental in developing a good work force for the Company. Moreover, the Company has an induction process wherein employees are made familiar with the organization structure, their reporting authority, various units/plants location, major achievements and other related facts in order to make them congenial while working in the Company.

6. Risk Management and Internal control systems

The Company has in place a Risk Management framework through its Policy, the main objective of which is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving the risks which are material in nature and are associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on material risk related issues. The policy is available on the website of the Company at the link: <http://www.donear.com/donear2006/downloads/RiskManagementPolicy.pdf>.

Further, the Company's activities are expose to credit risk, liquidity risk, market risk, price risk and Interest Rate Risk. The sources of such risk and how Company manages such risk and the impact thereof are provided in the relevant note forming part of the Financial Statements, which forms part of this Annual Report.

Internal Audit plays a key role in providing an assurance to the Board of Directors with respect to the Company having adequate Internal Financial Control Systems. The Internal Financial Control systems provide, among other things, reasonable assurance of recording the transactions of its operations in all material respects and of providing protection against significant misuse or loss of Company's assets. The Company has adequate internal control system which commensurate with its size, scale and complexities of its operations.

Dividend

The Board at its meeting held on June 30, 2020, has recommended a dividend of Rs. 0.20 (10 %) per Equity Share of Rs. 2.00 each for the financial year ended March 31, 2020, subject to the approval of the Members of the Company at the ensuing Annual General Meeting ("AGM").

The provisions under Regulation 43A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") regarding formulating Dividend Distribution Policy are not applicable to the Company. Hence, the Company declares the dividend by maintaining a balance between profit retention and a fair, sustainable and consistent distribution of profits among its Members.

Members are hereby informed that pursuant to the provisions of Section 124(6) of the Act read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules"), the Company is required to transfer the dividend which remains unpaid or unclaimed for a period of seven consecutive years or more, in the account of the Investor Education and Protection Fund ("the IEPF"). Accordingly, a Final Dividend of Rs. 20,996 for FY 2011-12, which remained unpaid or unclaimed was supposed to be transferred to the IEPF Authority by November 22, 2019 but due to technical interruption on MCA Site, the payment was reverted back and after several communications with MCA, the Company finally transferred the said amount to the Investor Education and Protection Fund on May 14, 2020.

Members are requested to note the following due date(s) for claiming the unpaid or unclaimed dividend declared by the Company for FY 2012-13 and thereafter –

Dividend for the year	Date of Declaration	Due date for transfer to the IEPF
2012-2013	September 28, 2013	October 28, 2020
2013-2014	September 24, 2014	October 30, 2021
2014-2015	September 26, 2015	November 01, 2022
2015-2016	September 24, 2016	October 30, 2023
2016-2017	September 23, 2017	October 29, 2024
2017-2018	September 29, 2018	November 04, 2025
2018-2019	September 23, 2019	October 29, 2026

Members who have not encashed the dividend warrants so far in respect of the aforesaid period(s) are requested to make their claim to Link Intime India Private Limited, Registrar and Transfer Agent, well in advance of the above due dates. It may be noted that unclaimed dividend for FY 2012-13 declared on September 28, 2013 can be claimed by the Members by October 17, 2020.

(a) Transfer of shares to IEPF

Pursuant to the provisions of the Act read with Rules, all the shares on which dividends remain unpaid or unclaimed for a period of seven consecutive years or more shall be transferred to the demat account of the IEPF Authority. Accordingly, the Company has transferred 1,047 Equity Shares of face value of Rs. 2/- each to the demat account of the IEPF Authority. Due to technical interruption on MCA Site and consequent delay in transfer of unpaid or unclaimed dividend amount to IEPF as stated above and further due to hurdles caused by COVID-19 pandemic since mid of March, the transfer of shares was also delayed and then finally made and completed on July 09, 2020. The Company had sent individual notice to all the Members whose shares were due to be transferred to the IEPF Authority and had also published newspaper advertisement in this regard. The details of such dividends/shares transferred to IEPF are uploaded on the website of the Company at link: <http://www.donear.com/donear2006/downloads/Unclaimed/shareholderswhosesharesareliabletotransfertolIEPFY2011-12.pdf>.

(b) Claim from IEPF Authority

Members/Claimants whose shares, unpaid/ unclaimed dividends and other benefits arising on those shares have been transferred to the IEPF Authority, can claim the same by making an application to the IEPF Authority in e-Form IEPF-5 (available at www.iepf.gov.in) and by sending duly signed physical copy of the same to the Company along with requisite documents as prescribed in the instruction kit of e-Form IEPF-5. No claims shall lie against the Company in respect of the dividend/shares so transferred.

(c) The Company paid to IEPF on October 10, 2019, an amount of Rs. 1,929.20 towards dividend for the financial year ended March 31, 2019 on such Shares which were transferred to IEPF.

(d) Details of unclaimed dividend on the website

As per the Rules, the Company has uploaded the information in respect of unclaimed dividends on its website at link: http://www.donear.com/donear2006/Unclaimed_Dividend.asp. The same is also available on the website of IEPF at www.iepf.gov.in.

Extract of Annual Return

In accordance with Sections 92 and 134(3) of the Act and Companies (Management and Administration) Rules, 2014, an extract of annual return in the prescribed Form MGT-9 is given in Annexure F, which forms part of this Report.

The copy of extract of annual return is also available on the website of the Company www.donear.com.

INDEPENDENT AUDITORS' REPORT

To the Members of DONEAR INDUSTRIES LIMITED Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of **DONEAR INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1	Principal Audit Procedures
Inventory Valuation As at March 31, 2020 the Company held Rs. 20162.12 Lakhs of inventory representing 42.05% of total assets. Out of which Stock amounting to Rs. 1993.11 Lakhs is lying at third party on sale or return basis. Given the size of the inventory balance relative to the total assets of the Company and the number of stores / locations at which inventory was held and the estimates and judgments described below and the valuation of inventory required significant audit attention. As disclosed in Note No. 2(F), inventories are held at the lower of cost or net realisable value determined using the weighted average cost method, except for Dyes and Chemicals included in cost of Raw Material is determined on First-in-first-out (FIFO) basis. At year end, the valuation of inventory is reviewed by management and the cost of inventory is reduced where inventory forecasts to be sold below cost. The Company has systems and processes including a barcode inventory management system to accurately record inventory movements for stock lying at third party. This process is managed centrally by head office for consistency. There are judgement applied in assessing the level of provision for inventory shrinkage. Management provide for shrinkage each month on their working and judgement.	We have performed the following procedures over the valuation of inventory:- • For sample inventory items, re-performed the weighted average cost calculation and compared the weighted average cost to the average purchase price of invoices; • Held discussion with management, including operational personnel, to understand and corroborate the assumption applied in valuation; • Evaluated key assumption made by management that current shrinkage levels were consistent with historical levels; • On a sample basis we tested the net realizable value of inventory lines with recent selling prices of finished goods wherein these raw materials are used; • We tested the inventory valuation sheet and cost added to inventory for such valuation. We also made enquiries with the management and considered the results of our testing above to determine whether any specific write downs were required. From the procedures performed we have no matters to report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Financial Statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the Financial Statements.
 - d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statement (Refer Note No. 30 to the Financial Statements).
 - ii. The Company did not have any material foreseeable losses on long-term contracts including derivatives contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company, except for delay in transferring unpaid dividend pertaining to F.Y.2011-12 which was not deposited due to technical glitch on MCA Portal. However, this amount was paid on May 14, 2020. Please refer Note No. 15 of Financial Statements.

ANNEXURE A TO THE AUDITOR'S REPORT

Referred to in paragraph 2 of 'Report on other Legal and Regulatory Requirements' in our Report of even date on the accounts of **DONEAR INDUSTRIES LIMITED** for the year ended March 31, 2020

- i. (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets of the company are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the management during the year and discrepancies noticed between the book records and the physical inventories were not material and have been properly dealt with in the accounts.
- (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. During the year, the inventories have been physically verified by the management. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventories as compared to the book records have been properly dealt with in the books of accounts.
- iii. As informed to us, the Company has not granted loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Hence sub clauses (a) to (c) of clause 3(iii) are not applicable to the Company.
- iv. The company has complied with provisions of Section 186 of the Companies Act, 2013 in respect of investments made and Section 185 of the Companies Act, 2013 is not applicable as there were no such loans, securities or guarantees provided during the year.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified and therefore clause 3(v) is not applicable.
- vi. The Central Government has prescribed maintenance of cost records for the company under sub Section (1) of Section 148 of the Companies Act, 2013 and such accounts and records have been made and maintained by the Company. However, no detailed examinations of such records have been carried out by us.
- vii. (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess, Goods & Service Tax and any other material statutory dues applicable to it.
- (b) According to the records of the Company, there are no dues of Duty, Income Tax and Customs Duty which have not been deposited on account of any dispute except disclosed below:

The disputed amounts that have not been deposited in respect of Income Tax, Sales Tax and Excise Duty are as under:

Sr. No.	Name of the Statute	Nature of the dues	Forum where the dues is pending	Rs. In Lakhs
1	Central Excise Act, 1944	Dues of Excise Duty	Commissioner of Central Excise (Appeals)	4.17

- viii. According to the records of the Company examined by us and information and explanation given to us, the Company has not defaulted in repayment of dues to banks during the year. The Company has not taken any loan or borrowing from government, financial institutions and has not issued debentures during the year.
- ix. On the basis of our examination of the documents and records and according to the information and explanations given to us, we are of the opinion that term loans have been applied for the purposes for which they were obtained. The company has not raised moneys by way of Initial Public Offer or further public offer (including debt instruments) during the year.
- x. To the best of our knowledge and according to the information and explanation given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with schedule V to the Companies Act, 2013.
- xii. In our opinion and according to the information and explanations given to us, the nature of the activities of the company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3(xii) of the order is not applicable to the company.
- xiii. According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sec 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3 (xiv) of the Order is not applicable to the Company.

- xv. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3 (xv) of the Order is not applicable to the Company.
- xvi. According to the information and explanations given to us, the company is not required to obtain registration under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) of the Order is not applicable to the Company.

ANNEXURE B TO THE AUDITORS' REPORT

(Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DONEAR INDUSTRIES LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

1 Company Overview

Donear Industries Limited ("DIL" or "The Company") is an existing public limited company incorporated on 01/01/1987 under the provisions of the Indian Companies Act, 1956 and deemed to exist within the purview of the Companies Act, 2013, having its registered office at Donear House, 8th Floor, Plot No. A- 50, Road No. 1, MIDC, Andheri (East), Mumbai- 400093. The Company is manufacturer of fabrics having its own brand name "Donear" and also trading in garments under the brand name of "Dcot". The Company sell its product through multiple channels including wholesale, retail and franchisee etc. during the year ended 31st March' 2020. The equity shares of the Company are listed on BSE Limited ("BSE") and National Stock Exchange of India Limited ("NSE"). The financial statements are presented in Indian Rupee (₹).

2 Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(A) Basis Of Preparation Of Financial Statement

i) Compliance with Ind AS

The financial statements Complies in all material aspects with Indian Accounting Standards (Ind AS) notified by Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements were authorized for issue by the Company's Board of Directors on 30th June, 2020..

These financial statements and notes have been presented in Indian Rupees (INR), which is also the functional currency. All the amounts have been rounded off to the nearest lacs as per requirement of Schedule III, unless otherwise indicated.

ii) Historical cost convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements are prepared under the historical cost convention, except for the following :

- (a) Certain financial assets and liabilities (Including Derivative Instruments) that are measured at fair value;
- (b) Defined benefit plans where plan assets are measured at fair value.

iii) Current and Non Current Classification.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle (Twelve Months) and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

(B) Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Continuous evaluation is done on the estimation and judgments based on historical experience and various other assumptions and factors, including expectations of future events that are believed to be reasonable under existing circumstances. Difference between actual results and estimate related to accounting estimates are recognised prospectively.

The said estimates are based on facts and events, that exist as at reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(C) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss); and
- (b) Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

- (a) For assets measured at fair value, gains and losses will either be recorded in Profit and Loss or Other comprehensive income.
- (b) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (c) For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset and in the case of a financial asset not at fair value then through Profit and Loss,. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in Profit and Loss.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

(a) Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- i) **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- ii) **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.
- iii) **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through Profit and Loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit and Loss and is not part of a hedging relationship is recognised in Profit and Loss and presented net in the statement of Profit and Loss within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

(b) Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has selected to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in Profit and Loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through Profit and Loss are recognised in other income or other expenses, as applicable in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime credit losses (ECL) to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(iv) Derecognition of financial assets

A financial asset is derecognised only when -

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(II) Financial Liabilities

(i) Measurement

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through Profit and Loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

(ii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and Loss.

(D) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortization, where appropriate.

(E) Segment Report

- (i) The company identifies primary segment based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.
- (ii) The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

(F) Inventories Valuation

- (i) Raw materials (excluding Dyes and Chemicals), Components, Stores and Spares, Packing Materials are valued at lower of cost and net realisable value. Cost is determined on a weighted average cost basis.
- (ii) Cost of Dyes and Chemicals included in the cost of Raw Material are determined on first-in-first-out (FIFO) basis.
- (iii) Work-in-Progress and Finished Goods are valued at lower of cost and net realisable value. The cost are determined on estimated cost basis and valued on a weighted average basis.
- (iv) Traded goods are valued at lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.
- (v) Scrap is valued at net realisable value.
- (vi) Due allowances are made in respect of slow moving, non-moving and obsolete inventories based on estimate made by the Management.
- (vii) Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(G) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits with banks, deposit held at call with financial institutions, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial balance sheet and which are considered as integral part of company's cash management policy.

(H) Income tax, deferred tax and dividend distribution tax

The Income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax is recognised in the Profit and Loss except to the extent it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income respectively.

(i) Current income tax

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

(ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Company has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

Minimum Alternate Tax credit is recognised as an deferred tax asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(iii) Dividend distribution tax

Dividend distribution tax paid on the dividends is recognised consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to statement of profit and loss if the dividend itself is charged to statement of profit and loss. If the dividend is recognised in equity, the presentation of dividend distribution tax is recognised in equity.

(I) Property, plant and equipment

- (i) Freehold land is carried at historical cost including expenditure that is directly attributable to the acquisition of the land.
- (ii) All other items of property, plant and equipment are stated at cost less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition of the items.
- (iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (iv) Cost of Capital Work in Progress ('CWIP') comprises amount paid towards acquisition of property, plant and equipment outstanding as of each balance sheet date and construction expenditures, other expenditures necessary for the purpose of preparing the CWIP for its intended use and borrowing cost incurred before the qualifying asset is ready for intended use. CWIP is not depreciated until such time as the relevant asset is completed and ready for its intended use.
- (v) Depreciation methods, estimated useful lives and residual value
 - (a) Fixed assets are stated at cost less accumulated depreciation.
 - (b) Depreciation is provided on a pro rata basis on the written down value method over the estimated useful lives of the assets which is as prescribed under Schedule II to the Companies Act, 2013. The depreciation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.
- (vi) Tangible assets which are not ready for their intended use on reporting date are carried as capital work-in-progress.
- (vii) The residual values are not more than 5% of the original cost of the asset.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other expenses or other income as applicable.

(J) Investment Property

Property that is held for long-term rental yields or for capital appreciation or both and which is not occupied by the Company, is classified by Investing property. Investment property is measured at cost including related transaction cost and where applicable borrowing cost. Investment properties are depreciated at the same rate applicable for class of asset under Property, Plant and Equipment.

(K) Intangible assets

- (i) An intangible asset shall be recognised if, and only if: (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and (b) the cost of the asset can be measured reliably.
- (ii) Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include licence fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented / ready for use. The same is amortised over a period of 5 years on straight-line method.

(L) Leases

(i) As a lessee

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning from 1 April 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the Standard, recognised on the date of initial application (1 April 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on 1 April 2019.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

As a lessee, the Company previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Company. Under Ind AS 116, the Company recognizes right of use assets and lease liabilities for most leases i.e. these leases are on balance sheet.

On transition, the Company has applied following practical expedients:

- Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with similar end date.
- Applied the exemption not to recognise right-of-use-assets and liabilities for leases with less than 12 months of lease term on the date of transition.
- Excluded the initial direct costs from the measurement of the right-of-use-asset at the date of transition.
- Grandfathered the assessment of which transactions are, or contain leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.
- Relied on its assessment of whether leases are onerous, applying Ind AS 37 immediately before the date of initial application as an alternative to performing an impairment review.
- Used hindsight when determining the lease term if the contract contains options to extend or terminate the lease.

(ii) As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(M) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount, rebates. The Company recognises revenue as under :

Effective 01 April, 2018, the Company has adopted Indian Accounting Standard 115 (IND AS 115) - "Revenue from contracts with customers" using the cumulative catch-up transition method applied to the contract that was not completed as on the transaction date 01st April, 2018. Accordingly the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of IND-AS 115 was insignificant.

(I) Sales

(i) The Company recognizes revenue from sale of goods & services when:

- (a) The significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, which coincides with the delivery of goods and with regard to services, when services are rendered.
- (b) The Company retains neither continuing managerial involvement to the degree usually associated with the ownership nor effective control over the goods sold.
- (c) The amount of revenue can be reliably measured.
- (d) It is probable that future economic benefits associated with the transaction will flow to the Company.
- (e) The cost incurred or to be incurred in respect of the transaction can be measured reliably.
- (f) The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(II) Other Income

(i) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

(ii) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

(iii) Export Benefits

Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

(N) Employee Benefit

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments are recognised in Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

(a) Defined benefit gratuity plan:

Gratuity, which is defined benefit, is accrued based on actuarial valuation working provided by Life Insurance Corporation of India (LIC). The Company has opted for a Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India (LIC), and the contribution is charged to the Statement of Profit & Loss each year. The Company has funded the liability on account of leave benefits through LIC's Group Leave Encashment Assurance Scheme and the Contribution is charged to Statement of Profit and Loss.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

(b) Defined Contribution plan:

Contribution payable to recognised provident fund and superannuation scheme which is defined contribution scheme is charged to Statement of Profit & Loss. The company has no further obligation to the plan beyond its contribution.

(O) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

(P) Borrowing Cost

- (i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.
- (ii) Borrowings are classified as current financial liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(Q) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company; and
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

ii) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

(R) Impairment of Assets

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(S) Provisions, contingent liabilities and contingent assets

(i) Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

(ii) Contingent liabilities:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

(iii) Contingent Assets: Contingent Assets are disclosed, where an inflow of economic benefits is probable.

(T) Investments

On transition to Ind AS, equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income, except for those mutual fund for which the Company has elected to present the fair value changes in the Statement of Profit and Loss.

(U) Trade receivables

Trade receivables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, less provision for expected credit loss.

(V) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortised cost using effective interest rate method.

(W) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

(X) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees Lacs (upto two decimals), unless otherwise stated as per the requirement of Schedule III (Division II).
